Our Father,
who art in heaven
hallowed be Thy name
Thy kingdom come
Thy will be done
on Earth as it is in Heaven.
Give us this day our daily bread
and forgive us our debts as we forgive our debtors
and lead us not into temptation
but deliver us from evil
for thine is the kingdom and the power and the glory
forever. Amen.

Marc Allen

Money is central to our lives.
Yet money is not of central importance.
It has nothing whatsoever to do with the lasting values
that make life worth living.

Within every adversity is an equal or greater benefit.
Within every problem is an opportunity.
Even in the knocks of life, we can find great gifts.

Our doubts and fears are not true in themselves.
Our deepest beliefs about ourselves
and the nature of our world
are not true in themselves,
but our thinking makes them true in our experience.
We can change our thinking and change even our
deepest core beliefs.

I am now creating a successful company.... I am now writing a successful book.... I am
now creating a beautiful album of music.... I am now getting into real estate, and finding a
starter house to buy....

Affirming, over and over,
"I am now creating
a successful career with (your company[ies]),
a successful (project or other endeavor you have)
in an easy and relaxed manner, in a healthy and positive way"
will over time overcome a huge number of your doubts and fears.

We are not physical beings who may
have a spiritual experience,
we are spiritual beings having a physical experience.

I am now creating success in an easy and relaxed manner and a healthy and positive way.

I am now living the life of my dreams in an easy and relaxed manner and a healthy and
positive way.

I am now successful doing what I want to do in an easy and relaxed manner and a healthy
and positive way.

I am sensible and in control of my finances and creating total financial success in an easy
and relaxed manner and a healthy and positive way. I do what I love and am well

rewarded for it. Money comes to me, easily and effortlessly. I live in abundance; all my needs are easily filled. Money is a great blessing in my life, for I am able to contribute to the well-being of not only myself but so many others as well, all over the world.

I am sensible and in control of my finances. Understanding money is simple: I make far more than I spend. I am creating total financial success, in an easy and relaxed manner, a healthy and positive way, and it still leaves me all the time I want or need for my creative life, my spiritual life, and my family and friends.

My creativity knows no limits. My family life and spiritual life are sources of grace, ease, and lightness.

I am like a human transmission tower, transmitting a frequency with my thoughts. If I want to change anything in my life, change the frequency by changing my thoughts.

Patience Prayer

God, teach me to be patient, teach me to go slow,
Teach me how to wait on You when my way I do not know.

Teach me sweet forbearance when things do not go right
So I remain unruffled when others grow uptight.

Teach me how to quiet my racing, rising heart
So I might hear the answer You are trying to impart.

Teach me to let go, dear God, and pray undisturbed until
My heart is filled with inner peace and I learn to know your will.
